

"Let's Do Business"

Thursday, June 19, 2008
Westin Bonaventure Hotel - Downtown Los Angeles

As a result of the "Let's Do Business" event in Los Angeles, CA on June 19, 2008, the following businesses were awarded with a \$2,000 scholarship to attend a technical assistance course. The California Hispanic Chambers of Commerce were privileged to have this opportunity to choose 20 out of a total of 60 scholarships for the ENTIRE state because of the kindness of the financial consortium to the community. The specific locations of the courses are yet to be determined at this date, however the courses will be at universities that have management training "bootcamps" and at non profits that offer technical assistance and management development programs.

Congratulations once again to our list of Finalists!!
